Description

The San Diego County Sheriff's Department is the chief law enforcement agency in San Diego County. The department is comprised of approximately 4,000 employees, both sworn officers and professional support staff. The department provides general law enforcement, detention and court services for the people of San Diego County in a service area of approximately 4,200 square miles. In addition, the department provides specialized regional services to the entire county, including the incorporated cities and the unincorporated areas of the county.

SHERIFF'S ROLE

The Sheriff, elected by the residents of San Diego County, is the chief executive of the department. He manages seven major detention facilities as well as eight major patrol stations, four patrol substations, a crime laboratory and an array of support operations necessary to provide full law enforcement coverage for the County of San Diego.

GENERAL SERVICE AREAS

The San Diego County Sheriff's Department is organized into six general service areas which includes the following:

- Office of the Sheriff
- Law Enforcement Services
- Detention Facility Services
- Court Services
- Human Resource Services
- Management Services

Law Enforcement Services

The San Diego County Sheriff's Department provides contract law enforcement services for the cities of Del Mar, Encinitas, Imperial Beach, Lemon Grove, Poway, San Marcos, Santee, Solana Beach and Vista. In these cities the Sheriff's

■ Management Services

Law Enforcement Services

The San Diego County Sheriff's Department provides contract law enforcement services for the cities of Del Mar, Encinitas, Imperial Beach, Lemon Grove, Poway, San Marcos, Santee, Solana Beach and Vista. In these cities the Sheriff's Department serves as their police department, providing a full range of law enforcement services including patrol, traffic and investigative services.

In the unincorporated (non-city) areas, the Sheriff's Department provides generalized patrol and investigative services. The California Highway Patrol has the primary jurisdiction for traffic services in unincorporated areas.

Detention Services

The San Diego County Sheriff's Department operates seven detention facilities. Male arrestees are booked at the San Diego Central Jail and Vista Detention Facility, while female arrestees are booked at the Las Colinas and Vista Detention Facilities. The remaining jails house inmates in the care of the Sheriff.

In order to provide critical services to a daily inmate population over 5,000, the Detention Services Bureau is supported by a state-of-the-art food services production center, comprehensive medical services, laundry, commissary, and inmate processing services. The Inmate Services Division provides a number of educational and rehabilitative programs aimed at improving the reentry success of those returning to our communities.

Court Services

In January 2000, the former San Diego County Marshal's Office merged with the Sheriff's Department. Since that time, the Sheriff has provided court security and related services for the San Diego Superior Court at several locations throughout the county.

TO: Sheriff Bill Gore
FROM: Dimitrios Karras, CEO Ares Armor
SUBJ: 1st Amendment Violation and MURDER OF VICKI WEAVER
DATE: September 4, 2014

Sheriff Gore,

Firstly, I would like to congratulate you on holding the public office that you do. This is quite the accomplishment considering your past. The simple fact of the matter is that YOU are responsible for the death of an unarmed woman while she was holding her infant child. The orders that YOU gave, which were then followed by your subordinates, directly caused Vicki Weaver to be shot in the head. She was unarmed and posed no threat to you or your officers.

This is not why I write to you today though. I write to you in regards of your censorship of a public forum. This activity is despicable in every way. You are an elected official and you are using the publicly owned Facebook page <http://Facebook.com/sdsheriff> as a tool to silence any who would have negative comment about your ability and fidelity to hold this office.

The veracity of the comments that you remove from this page are never questioned, the only thing that is accomplished is censorship. Your illegal actions serve to remove any dissenter's rights to speak on this particular public forum. Others who support you are allowed to speak in this same public forum without restriction.

I have screenshots of the censorship that occurred; the comments were not profane or otherwise inappropriate.

As much as I dislike a murderer such as yourself holding the office that you do, I do not wish to burden the public with legal action to force you into complying with the law.

Let this be notice to you, if you do not within 14 days:

1. Un-block all of the citizen's accounts from the public Facebook page of the San Diego Sheriff's Department and allow these citizens the same 1st amendment rights that you allow to your supporters.
2. Cease and Desist ALL unreasonable censorship of political speech on the public forum [Http://facebook.com/sdsheriff](http://facebook.com/sdsheriff)

I will then be left no option but to take legal action against your violations of the people's 1st amendment rights by means of civil suit. I pray that it does not come to this and that you will do the right thing and comply with the law on this particular issue.

I hope you live with your cowardice and your shame for a thousand years. May your children and your children's children learn of your disgrace and cast their eyes to the ground in embarrassment at the mere mention of your name.

With great disgust,

Dimitrios Karras, CEO Ares Armor
