On O	ctober 13, 2020 I	went to early vote at the Alpharetta Library located at
10 Park P	laza, Alpharetta,	GA 30009. The lines were long. Clerk informed those in
line that t	he computers we	re freezing and that only 2 poll pads were functional and
thus the s	low process. After	er a 3 hour wait, my turn to get my vote card came up. I
presented	my GA DL and	it was scanned at the poll pad. At which time poll
worker Ja	ames Campbell to	old me that I had already voted. I told him I absolutely
have not.	He then asked if	I had requested an absentee ballot and I replied no. He
attempted	to make an entry	y on the poll pad only to tell me that the poll pad was
frozen. H	e gave me an affi	idavit to sign and told me he was adding me to the list of
manual b	allots in his comp	outer and gave me a vote card from the table without
being pro	cessed thru the p	oll pad. I asked who had voted for me and if there was
an explar	nation for the erro	or, he indicated he could not tell what the problem
was ."
