Re: Your Public Records Act Request dated December 30, 2020 and received on January 4, 2021.

Dear Mr. Scott A. McMillan:

This responds to your Public Records Act Request dated December 30, 2020 and received on January 4, 2021. In that request, you made sixty-three (63) separate requests.

Several of the requests seek voter registration information and voter history. Voter registration information, including voter history, can be applied for and purchased pursuant to Sections 2188 and 2194 of the Election Code, as well as California Code of Regulations, title 2, section 19001, et seq., which among other things, require the submittal of an application form as specified in California Code of Regulations, title 2, section 19008. The application and purchase of voter registration data can also be accomplished through the following link: <https://www.montereycountyelections.us/voter-data-and-gis-shape-files/>

The scope of your various requests is quite broad and encompasses a voluminous amount of potentially responsive records. The County is in the process of identifying, collecting and reviewing for disclosability, potentially responsive records regarding these requests. Accordingly, pursuant to Government Code § 6253, the County is extending the time in which to respond to these Requests. The County will provide you a further response no later than February 26, 2021.

Please contact me if you have any questions over any statement in this Response.

Sincerely,

Claudio Valenzuela
