### **RE: Public Records Act Request to Amador County Registrar of Voters**

Dear Mr. McMillan:

This office represents Amador County in regards to the above-reference public records request dated January 21, 2021 and addressed to Kimberly L. Grady, Registrar of Voters for Amador County. Your 15-page request letter contains 63 separate request for records, with some requests containing no date range limitation.

Due to the scope and breadth of your request, the County requires an extension of time to identify responsive records to your request as permitted in Government Code section 6253(c). The extension of time is warranted for the following reasons:

- the need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request; and
- the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request.

Based on the foregoing and pursuant to Government Code section 6253(c), the County is extending the response time regarding your request for 14 days, until February 14, 2021. The initial response will be sent on or before that date. Should you have any questions or concerns regarding the foregoing, please do not hesitate to contact me.

Sincerely,

Greg Gillott  
County Counsel
