Re: California Public Records Act Request Dated December 30, 2020

Dear Mr. McMillan:

This letter is to confirm our conversation earlier today. The County of Kings ("County"), received on January 4, 2021 your California Public Records Act ("CPRA") request dated December 30, 2020. On January 11, 2021, the County requested a fourteen (14) day extension pursuant to Government Code Section 6235(c) to evaluate your request and to search for, collect, and appropriately examine the voluminous amount of separate and distinct records that your request demands. On January 25, 2021, the County requested an additional fourteen (14) day extension of time which you granted with an option for further extension if necessary. Per our telephone conversation today, the County requires an additional extension of time to evaluate and respond to your request and you agree to extend the County's response date an additional fourteen (14) days to February 22, 2021.

If you have any questions, you may contact this office at the telephone number and/or address above, or via e-mail at Diane.freeman@co.kings.ca.us. Thank you.

Sincerely,

LEE BURDICK
County Counsel
