RE: Your Public Records Act Request received on April 6, 2021

Dear Scott A. McMillan:

We are in receipt of the Public Records Act request, received on April 6, 2021, seeking 69 categories of records related to the General Election, November 3, 2020. The request involves consultation among departments and agencies with an interest in the request and seeks a voluminous amount of separate and distinct records. Accordingly, due to these circumstances and pursuant to Government Code section 6253(c), the County must extend the time to respond to your request to April 30, 2021.

Because of the large amount of documentation you are seeking and the limited resources of this department and other County offices, we expect it will take longer to fulfill the requests. By April 30, we plan to have an idea of how long it should take and which items we expect to have available.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Debi Cooper".
