My office represents the County of Marin. We are in receipt of your Public Records Act (PRA) request, dated April 6, 2021, seeking 69 categories of records.

Pursuant to Government Code section 6253(c)(1), a fourteen-day (14) extension of time is necessary to respond to your request for the following reason(s):

- The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request.
- Search for, collect, and appropriately examine a voluminous amount of separate and distinct records demanded in a single request;
- In the case of electronic records, to compile data, write programming language or a computer program, or to construct a computer report to extract data.
