- 9.4. Dominion Hardware Warranty. If any Dominion Hardware component fails to operate in conformity with its specifications during the warranty period, Dominion shall provide a replacement for the Dominion Hardware component or, at Dominion's sole option, shall repair the Dominion Hardware component, so long as the Dominion Hardware is operated with its designated Dominion Software and with third party products approved by Dominion for use with the Dominion Hardware. **10. Force Majeure.** Should any circumstances beyond the control of Dominion or County occur that delay or render impossible the performance of any obligation due under this Agreement, such obligation will be postponed for the period of any delay resulting from any such circumstances, plus a reasonable period to accommodate adjustment to such extension, or cancelled if performance has been rendered impossible thereby. Such events may include, without limitation, accidents; war, acts of terrorism; natural disasters; labor disputes; acts, laws, rules or regulations of any government or government agency; or other events beyond the control of both Dominion and County. Dominion shall not be liable under this Agreement for any loss or damage to the County due to such delay or performance failures. Both Parties shall use commercially reasonable efforts to minimize the adverse consequences of any such event. This section shall not excuse the County from paying amounts owed pursuant to this Agreement.

**11. Indemnification.**

- 11.1 Each Party shall indemnify and hold harmless the other Party from third party claims arising from, or alleged to arise from, the negligence or deliberate misconduct of a Party in the course of performing under this Agreement. This indemnity extends solely to claims and lawsuits for personal injury, death, or destruction of tangible personal property. In addition, County shall indemnify and hold harmless Dominion from any third party claims arising from, or alleged to arise from, County's failure to operate properly the System licensed, sold and/or leased under this Agreement, in the manner so designated by Dominion.
- 11.2 Dominion will, at Dominion's expense, indemnify, defend and hold harmless the County, its officers, agents and employees from and against any loss, cost, expense or liability (including but not limited to attorney's fees and awarded damages) arising out of a claim, suit or action that the System infringes, violates, or misappropriates a Third Party's patent, copyright, trademark, trade secret or other intellectual property or proprietary rights.

**12. Limitation of Liability.** Dominion's total aggregate liability for any loss, damage, costs or expenses under or in connection with this Agreement, howsoever arising, including without limitation, loss, damage, costs or expenses caused by breach of contract, negligence, strict liability,

breach of statutory or any other duty shall in no circumstances exceed the TOTAL dollar amount of the Agreement. Neither party shall be liable for any loss of profits, loss of business, loss of data, loss of use or any other indirect, incidental, special or consequential loss or damage whatsoever, howsoever arising, incurred by the other party or any third party, whether in an action in contract, negligence or other tort, even if the parties or their representatives have been advised of the possibility of such damages.

### **13. Confidential Information.**

- 13.1. For purposes of this Agreement, confidential information (“Confidential Information”) is defined as those materials, documents, data, and technical information, specifications, business information, County information, or other information that the disclosing Party maintains as trade secrets or confidential and which are disclosed to a receiving Party in tangible form conspicuously marked as “confidential,” or with words having similar meaning or which are expressly identified in this Subsection 13.1. Confidential Information includes, without limitation, Dominion Software source code and associated documentation.
- 13.2. Each Party shall treat the other Party's Confidential Information as confidential within their respective organizations.
- 13.3. Neither Party shall disclose the other Party's Confidential Information to any person outside their respective organizations unless disclosure is made in response to, or because of, an obligation to any federal, state, or local governmental agency or court with appropriate jurisdiction, or to any person properly seeking discovery before any such agency or court.
- 13.4. Each Party shall be given the ability to defend the confidentiality of its Confidential Information to the maximum extent allowable under the law prior to disclosure by the other Party of such Confidential Information.
- 13.5. The parties understand and agree that County is a public entity that may be subject to Public Record Laws. Therefore, any covenant of confidentiality given by the County in this Agreement shall be governed by provisions of applicable Public Record Laws.
- 13.6. Any specific information that Dominion claims to be confidential must be clearly identified as such by the County. To the extent consistent with Public Record Laws, County shall maintain the confidentiality of all such information marked by Dominion as confidential. If a request is made to view such confidential information, County will notify Dominion of such request and the date the information will be released to the requestor unless Dominion obtains a court order enjoining such disclosure. If Dominion fails to obtain such court order enjoining such disclosure, the County will release the requested information on the date specified. Such release shall be deemed to have been made with Dominion's consent and shall not be deemed to be a violation of law or this Agreement.

**14. Assignment.** Neither Party may assign its rights, obligations, or interests in this Agreement without the written consent of the other Party, providing however that Dominion may assign the proceeds of this Agreement to a financial institution without prior consent of the County but with written notice to County.

**15. Termination for Default.** In the event either Party violates any provisions of this Agreement, the non-violating Party may serve written notice upon the violating Party identifying the violation and a providing a reasonable cure period. Except as otherwise noted herein, such cure period shall be at least thirty (30) days. In the event the violating Party has not remedied the infraction at the end of the cure period, the non-violating Party may serve written notice upon the violating Party of termination, and seek legal remedies for breach of contract as allowed hereunder. If the breach identified in the notice cannot be completely cured within the specified time period, no default shall occur if the Party receiving the notice begins curative action within the specified time period and thereafter proceeds with reasonable diligence and in good faith to cure the breach as soon as practicable.

**16. Legality and Severability.** This Agreement and the Parties' actions under this Agreement shall comply with all applicable federal, state and local laws, ordinances, rules, regulations, court orders, and applicable governmental agency orders. If any term or provision of this Agreement is held to be illegal or unenforceable, the remainder of this Agreement shall not be affected thereby and each term or provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law. The Parties agree that any court reviewing this Agreement shall reform any illegal or unenforceable provision to carry out the express intent of the parties as set forth herein to the fullest extent permitted by law.

**17. Survival.** The provisions of Sections 2, 9, 10, 11, 12, 13, 16, 18, and 19 shall survive the expiration or termination of this Agreement.

**18. Choice of Law.** Interpretation of this Agreement shall be governed by the laws of the State of California, and the courts of competent jurisdiction located in the State of California will have jurisdiction to hear and determine questions relating to this Agreement.

**19. Waiver.** Any failure of a Party to assert any right under this Agreement shall not constitute a waiver or a termination of that right or any provisions of this Agreement.

**20. Insurance.** Dominion hereby agrees at its own cost and expense to procure and maintain, during the entire term of this Agreement and any extended term therefore, insurance in a sum acceptable to County and adequate to cover potential liabilities arising in connection with the performance of this Agreement and in any event not less than the minimum limit set forth as follows:

20.1 Certificates of Coverage. All insurance coverages referenced above shall be evidenced by one or more certificates of coverage or, with the consent of COUNTY's Risk Manager, demonstrated by other evidence of coverage acceptable to COUNTY's Risk Manager, which shall be filed by CONTRACTOR with the ASSESSOR-RECORDER-COUNTY CLERK prior to commencement of performance of any of CONTRACTOR's duties.

(1) The certificate(s) or other evidence of coverage shall reference this Agreement by its COUNTY number or title and department; shall be kept current during the term of this Agreement; shall provide that COUNTY shall be given no less than thirty (30) days prior written notice of any non-renewal, cancellation, other termination, or material change, except that only ten (10) days prior written notice shall be required where the cause of non-renewal or cancellation is non-payment of premium; and shall provide that the inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, the coverage afforded applying as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the company's liability.

(2) Waiver of Subrogation and Additional Insured Endorsements. For the commercial general liability insurance coverage above and for the comprehensive automobile liability insurance coverage referenced above, where the vehicles are covered by a commercial policy rather than a personal policy, CONTRACTOR shall also file with the evidence of coverage an endorsement from the insurance provider naming COUNTY, its officers, employees, agents and volunteers as additional insureds and waiving subrogation. For the Workers Compensation insurance coverage, CONTRACTOR shall file with the evidence of coverage an endorsement waiving subrogation.

(3) The certificate or other evidence of coverage shall provide that if the same policy applies to activities of CONTRACTOR not covered by this Agreement, then the

limits in the applicable certificate relating to the additional insured coverage of COUNTY shall pertain only to liability for activities of CONTRACTOR under this Agreement, and that the insurance provided is primary coverage to COUNTY with respect to any insurance or self-insurance programs maintained by COUNTY.

(4) Upon request by COUNTY's Risk Manager, CONTRACTOR shall provide or arrange for the insurer to provide within thirty (30) days of the request, certified copies of the actual insurance policies or relevant portions thereof.

**21. Independent Contractor.** In all situations and circumstances arising out of the terms and conditions of this Agreement, Dominion is an independent contractor. Payment of federal income tax, FICA payments, state income tax, unemployment compensation taxes, and other payroll deductions and taxes are the sole responsibility of Dominion.

**4. Upgrades and Certification.** During the Term, Licensor may provide upgrades to Licensee under the following terms and conditions.

**7. Warranties.** The following warranties will apply to all Software during the Term.

7.1. Software Warranty Terms. Licensor warrants that the Software will function substantially in accordance with the Specifications during the Term. The Licensor also warrants that the Software shall comply with the State of California certification requirements and election laws (collectively the "Requirements") in effect as of the date the Software is certified by the State of California. This provision applies to the initially installed Software as well as any subsequent upgrades pursuant to Section 4 herein. However, the Licensor will not be required to make modifications to the Software or System as a result of changes in the Requirements. The foregoing warranty will be void in the event of the Software (i) having been modified by any party other than Licensor or (ii) having been used by the Licensee for purposes other than those for which the Software was designed by Licensor. If Licensor establishes that a failure of the foregoing warranty that is reported by Licensee is not covered by the foregoing warranty, the Licensee shall be responsible for the costs of Licensor's investigative and remedial work at Licensor's then current rates.

7.2. Corrections. If the Licensee believes that the Software is not functioning substantially in accordance with the Specifications or Requirements, the Licensee shall provide Licensor with written notice of the material failure within thirty (30) days of discovering the material failure, provided that the Licensee can reproduce the material failure to Licensor. The Licensor shall correct the deficiencies, at no additional cost to the Licensee and incorporate such corrections into the next version certified by the State of California.
