**Importance:** High

Hi James,

I have made the requested changes and posted an updated set of proofing reports (ver 2) on the MFT in the "2020\2020-11-03\_Presidential\Proofing Reports" folder. Please use the Ballot Type report from this version to proof.

Please let me know if you have any problems accessing the files or have any questions.

Regards,

Hey Rakhi,

Attached is a spreadsheet with changes for

- Spanish Translation changes – Highlighted in Green
- Header changes for the contest that have a suffix (2)
- District Type changes – Names and order
- District Changes – name and order
- Contests changes – Name changes and Definition and Report order changes
- Candidate Name Changes – There were two candidates that had special characters in their names that were removed in order to run the GEMS export.

We do have a change to the measure for upland, I need to verify they have been completed.

I will be heading out and plan on being here early tomorrow to pick up on the ballot types report proofing.
