Hi James,

I don't believe there is any setting in EED for this. But let me confirm about the scanner and I will let you know.

Subject: [EXTERNAL] Ballot Paper

Good evening Rakhi,

We had a conversation with K&H regarding the paper type our ballots will be printed on. We will **not** be using the Rolland VoteSecure paper and want to make sure our project is not set up to do so. Is that a setting that is set on the election project or on the scanners?
