**Subject:** San Bernardino - Nov 2019 Election - ICX Proofing Project

Hi Christina,

I have uploaded the Proofing project (database) on the FTP in the “/2019-11-05\_Election” folder. Just a reminder that this is only a copy of the project, that you can use to proof the ICX ballot with audio.

Once you unzip the downloaded file, there should be 2 files in the folder. 1. .SHA file 2. Zip file. Copy the folder on the server to restore the project. The password for now is [REDACTED]

Please let me know if you have any questions.

Regards,
